Gameday Reminders:

* Everyone needs to be at the gym a minimum of 15 minutes before game time to warm up / stretch and to line up for the tunnel. The girls will perform a cheer/chant at each halftime - encourage parents to participate! The games will last one hour.

* Girls need to wear a long sleeved white shirt under their uniforms, and athletic shoes. They also need to bring their poms and megaphone to every game.

* Your team will be assigned an area of the building each week for the post game celebration and star ceremony. That way, parents will always know where to meet you after the game! Parents and Families should attend! (You may leave the game 2 minutes prior to the end of the last period, to get snacks and get to your room, before the basketball players do so.)
